 **THE ART CONNECTION**
IN THE CAPITAL REGION

WHAT IS THE ART CONNECTION IN THE CAPITAL REGION?

The Art Connection in the Capital Region (ACCR) is a nonprofit 501(c)(3) organization that enriches lives by expanding access to original works of visual art within underserved communities throughout the District of Columbia, Maryland, and Northern Virginia.

Our mission is primarily achieved through the facilitation of an innovative art donation and placement program that brings together artists and collectors willing to donate their artwork with qualifying nonprofit community service or public equivalent agencies that serve their clients directly and have no funding for artwork purchases.

An example of the types of organizations with which ACCR partners includes: homeless and domestic abuse shelters, children's centers, mental health facilities, and low-income senior housing agencies, amongst several others. For a full list of artwork placements and to learn more about ACCR, please visit: www.artconnection-cr.org.

By bringing art to more members of our community, we are contributing to the creation of nurturing environments where individuals, who might not otherwise have the opportunity, can experience the beauty, inspiration and hope that art enables. In addition to enlivening the public spaces within an agency, the donated artwork serves to integrate and engage community members, fostering positive associations between the agency providing services and the individuals accessing these services.

GUIDELINES

- Original 2-D and 3-D media, with the exception of video and installation will be considered.
- Wall hung artwork must not exceed 40" x 60" in height or width.
- 3-D wall hanging work is acceptable if it falls within all other guidelines.
- Work must be delivered framed or mounted in a professional manner and have all necessary hardware attached for installation. Plexiglass is preferred, but glass is acceptable.
- Insure your artwork if shipping.

WHERE WILL THE DONATED ARTWORK BE DISPLAYED?

The artwork will be displayed in secure public areas of the agencies where its presence will enrich the lives of those who work in, and are served by, these organizations. Sites will be carefully selected and screened by ACCR. The number of organizations receiving artwork will be determined by the number of pieces donated. A plaque, with information about the artist, artwork, and the project will be displayed with the donated artwork.

WHEN WILL THE DONATED ARTWORK GO ON DISPLAY?

The exhibition will be on view at the Jewish Community Center of Northern Virginia, November 3-January 25, 2018. A public reception will be scheduled. Once the artwork is installed, representatives from participating nonprofits will have an opportunity to tour the exhibition and select artwork for their agencies. At the conclusion of the exhibition, the artwork will be moved to the agencies where it will remain on *permanent display*.

HOW DO I SUBMIT ARTWORK?

This is a juried exhibition. ACCR will offer all artwork for placement in a participating organization, but placements cannot be guaranteed. If work is not placed during the exhibition, we request that work remain in the possession of ACCR for future placements. Arrangements to have work returned to the artist if not placed can also be made at the artist's request.

To be considered for participation, you must complete the Artwork Submission Form. Each artist is invited to upload up to four images for consideration. Up to two works of art may be selected for inclusion, unless the artist specifies otherwise.

Submissions must be received no later than October 6, 2017.

IF SELECTED, WHEN SHOULD WORK BE DELIVERED?

Artwork must be received at the Jewish Community Center of Northern Virginia (8900 Little River Turnpike | Fairfax, VA 22031), October 16, 2017, between the hours of 10 am – 4 pm. Arrangements to have the work shipped can also be made. Details will be provided once work is selected for inclusion.
